Pile of Bones

President's Message

By: Chris Klatt

Dear ASHRAE Regina Chapter,

Congratulations to ASHRAE Regina Chapter on its 60th anniversary! ASHRAE is an organization that promotes sustainability, energy efficiency, and environmental responsibility in the building industry.

Over the past 60 years, the Regina Chapter has been a leader in advancing the goals of ASHRAE by providing technical expertise, networking opportunities, and educational resources to its members. The chapter has also been active in promoting the importance of energy efficiency and sustainability in the building industry through outreach and advocacy efforts.

This anniversary is a significant milestone for the Regina Chapter and demonstrates the dedication and commitment of its members to advancing the field of HVAC engineering. I wish the chapter continued success in its future endeavors and congratulate all members on this impressive achievement.

Dear ASHRAE Past Presidents,

It is with great pleasure that I write to you, on the occasion of ASHRAE Regina Chapter upcoming Past Presidents Night. As an organization, ASHRAE owes much of its success to the leadership and guidance provided by its past presidents. It is through your dedication and hard work that ASHRAE has been able to make such a significant impact in the HVAC&R industry.

ASHRAE REGINA CHAPTER MEETING

March 22nd, 2023

Topic:
**ASHRAE Regina 60th
Anniversary & Past
President's Night**

Meeting Location:
Hotel Saskatchewan

Time:
5:00- 5:30 PM-Start

As we look back on the accomplishments of ASHRAE over the years, it is clear that our organization has been at the forefront of innovation and technology in the field of HVAC&R. From developing new standards to promoting sustainable practices, ASHRAE has played a vital role in shaping the industry as we know it today.

As we continue to face new challenges in the field of HVAC&R, it is important that we remain steadfast in our commitment to excellence. By staying true to our core values of collaboration, innovation, and sustainability, we can continue to drive progress in the industry and ensure a brighter future for all.

On behalf of ASHRAE, I would like to express our sincere gratitude for your continued support and dedication to our organization. Your contributions have been instrumental in helping us achieve our goals, and we look forward to continuing to work together in the years to come.

Thank you for all that you do, and congratulations on this special occasion.

ASHRAE Region XI Chapter Regional Conference (CRC) is quickly approaching. CRC will be hosted by the Northern Alberta Chapter in Edmonton, AB from May 11th through May 13th. CRC offers a wonderful opportunity for chapters and members to meet, interact, and socialize on a regional level. These conferences offer workshops, technical sessions, technical tours, addresses by Society officers and staff, and regional award presentations. CRCs provide an effective local option for many members to actively participate in regional activities. Visiting ASHREA Society officers include: ASHRAE President Farooq Mehboob, Treasurer M. Dennis Knight, Secretary Jeff Littleton, and Society President- Elect (incoming ASHRAE President) Ginger Scoggins.

CRC gives our Chapter the opportunity to bring forward any regional-level motions (handled by the Region) and bring forward any society-level motions to be sent to Members Council. Each motion is discussed and voted upon with results reported at the next CRC. If any members have any motions they want to bring forward, please send them.

CRC also gives Chapter Members an opportunity to put their name forward to volunteer in ASHRAE at a regional-level. Our Chapter currently has three (3) regional executives: Rob Craddock – Regions Members Council Representative (RMCR), Greg Fluter – Regional Nominating Committee Alternate, and Cailin

Noll – Young Engineers in ASHRAE (YEA) Regional Vice Chair, and has had previous members in the past. If you are thinking about volunteering at a regional-level, please send your name and we can include you at CRC for consideration.

The Northern Alberta Chapter in Edmonton, AB is bringing back the John Ross Bonspiel on Saturday April 1, 2023. If any one from the Chapter is interested in creating a team, please let us know. Regina will cover transportation and accommodations for this event.

Thank you,

Chris Klatt, Regina ASHRAE Chapter President

60th Anniversary & Past Presidents Night

Who: Chapter Members, Past Presidents, and Guests

When: Wednesday March 22, 2023 @ 5:00 – 10:00 pm

Where: The Hotel Saskatchewan

Why: We look back on our Chapter history to celebrate 60 years and honor some of our Past Presidents. It will be a strictly social evening full of stories from individuals who have donated their time to make contributions to our chapter, to our industry, and who have made an impact nationally and internationally through ASHRAE.

Schedule:

5:00 – 6:00pm	Happy Hour
6:00pm	Buffet Supper
10:00pm	Closing Time

Cost: All Chapter Members & Past Presidents = \$0
All Guests/Spouses = \$40
