## **President's Message**

**By: Chris Klatt**

ASHRAE Region XI Chapter Regional Conference (CRC) is quickly approaching. CRC will be hosted by the Inland Empire Chapter in Spokane, WA from May 9th through May 11th. CRC offers a wonderful opportunity for chapters and members to meet, interact, and socialize on a regional level. These conferences offer workshops, technical sessions, technical tours, addresses by Society officers and staff, and regional award presentations. CRCs provide an effective local option for many members to actively participate in regional activities. ASHRAE Official Visitors include: Dennis Knight and Bill McQuade. ASHRAE Staff include: Lizzy Seymour.

CRC gives our Chapter the opportunity to bring forward any regional-level motions (handled by the Region) and bring forward any society-level motions to be sent to Members Council. Each motion is discussed and voted upon with results reported at the next CRC. If any members have any motions they want to bring forward, please send them.

CRC also gives Chapter Members an opportunity to put their name forward to volunteer in ASHRAE at a regional-level. Our Chapter currently has three (3) regional executives: Rob Craddock – Regions Members Council Representative (RMCR), Greg Fluter – Regional Nominating Committee Alternate, and Cailin Noll – Young Engineers in ASHRAE (YEA) Regional Vice Chair, and has had previous members in the past. If you are thinking about volunteering at a regional-level, please send your name and we can include you at CRC for
