President's Message

Spring has sprung! The ASHRAE season is quickly coming to an end, and we only have two meetings left and we will wrap the season up with our annual golf tournament. Where has the time gone?

Thank you to all who attended March's Chapter Meeting on "The Future of Refrigerants" with Philip Johnston from Daikin Applied Americas held at Lakeshore Restaurant. It was a great evening filled with conversation and wonderful food.

This month is Student Night at the U of R, so please come out and support our bright and upcoming engineering students as they present their capstone projects. Along with these great presentations, we will also be awarding our Don Bell Scholarship, and recognizing all our donors who help make these scholarships a reality.

For May's meeting, we are planning a site tour of the new YWCA building, with supper and Chapter meeting to follow. We will be holding a "Wine Survivor" fundraiser to help support the YWCA at our Chapter meeting. Stay tuned for the meeting invite and meeting details.

ASHRAE Region XI CRC is coming up next month May 9 - May 11, 2024 in Spokane Washington, hosted by the Inland Empire Chapter. There are a bunch of great events outside of the caucus and business sessions, including the

Hello Members!

The sun is shining, and the weather is sweet! The chapter Golf Tournament date, June 13th is fast approaching, and we are over halfway to 18 teams! If you have not registered yet, get your form in quickly! Waiting to fill up your team to register? No worries, just register unknown players as TBD and finalize names later to reserve your team's spot!

This year we are using add-ins, which are string and mulligans. The string is an extension of your previous shot, it is priced per ft. with max 3 ft. available for purchase. The Mulligans give each member of your team one do-over on a missed shot. Thank you to those have opted for these add-ins already! If you registered a team and did not opt in for them and would now like to, no problem! Just send an email to t.brezinsky@mac-eng.ca and we'll get your team fixed up.

Looking forward to seeing everyone on the course, June 13th!
