## President's Message

By Tyler Gamble

Happy Mother's Day!  
(and you're welcome for the reminder 😊)

The buds are sprouting and just like that, there are only 9 weeks left in this ASHRAE year! Our Board of Governors have been hard at work wrapping up the remaining year's activities and started planning for next year. Speaking of which, this chapter meeting on May 13<sup>th</sup>, 2026, will have a few procedural items that need presenting to the chapter members, to be voted on.

Our Treasurer, Greg Fluter will be presenting the proposed budget for the upcoming 2026-27 ASHRAE year.

Our Vice President and Chapter Technology Transfer Chair, Dave Samayoa, will be proposing names for some of the new board positions for next year.

I hope to see you all there!
