## President's Message

By Tyler Gamble

Two years have passed since I first took the Presidency in July of 2024. In that time I learned so much about how to lead a team of volunteers, interacting with membership, and how to stay on top of my monthly newsletters without constant prodding. I'm still working on that last one...

Thank you so much to our Board of Governors over the past two years. You've been a pleasure to work with, and I hope you feel the same way.

Thank you to the membership for keeping up to date on our Chapter's comings and goings through the newsletter or during the meeting, and for being active participants in those meetings. Our membership is what truly makes Regina special. We are a small but mighty chapter!

Lastly, I would like to welcome and congratulate David Samayoa on his upcoming presidency. I know he will do fantastic things, during his upcoming term!

Enjoy the summer, and I look forward to seeing you all in the Fall!

### Chapter Event

Thursday, June 18  
*ASHRAE Golf Tournament*

Flowing Springs Golf Greens  
Registration: 10 am  
Tee-Time: 12 pm  
Dinner to follow

### Upcoming Chapter Events

HAVE A GREAT SUMMER  
See you in September!

## **Vice President's Message**

By Dave Samayoa

As we wrap up another successful ASHRAE year, I want to thank our members, sponsors, presenters, and volunteers for their continued support of the Regina Chapter.

We had an excellent year of technical programming, including a tour of SaskPower Head Office and presentations on Natural Gas Heat Pumps with SaskEnergy, Distinguished Lecturer Tim Wentz's session on The Ethics of Money: Bidding, Payment Applications and Change Orders, Distinguished Lecturer Wade Conlan's presentation on retro-commissioning and energy performance, and Jerry Boulanger's Top Ten Mistakes in HVAC. These programs provided valuable learning opportunities and sparked great discussions throughout the year.

I recently attended President-Elect Training in Vancouver with Regions X and XI and am looking forward to representing our chapter at CRC in Hawaii this August. These experiences are helping prepare me for the privilege of serving as Chapter President next year. I am excited to work alongside our dedicated Board of Governors as we continue delivering valuable technical content, networking opportunities, and professional development for our members.

As we plan for next year, we are considering a Communications Workshop focused on professional and leadership communication skills. I would appreciate your feedback on your interest in attending this workshop and your preferred timing, as well as any input on future chapter programming. Please take a few minutes to complete our Communications Workshop survey and help us determine interest and schedule the event at a time that works best for our members.

Thank you for your trust and support. I look forward to serving you as President in the coming year.

## Research Promotion

By Chris Klatt

May Chapter Meeting: Congratulations to **Darcy Grudnitzki (RSL)** for winning the **Super-Duper 50/50**. From September to May, we were able to sell 68 tickets, to make a final jackpot worth \$2,360. Dwayne and ASHRAE Research walked away with **\$1,180** each. It pays to attend Chapter Meetings!

Lastly, our RP Campaign is currently sitting at: **\$5,292.99 (66.2%)!**

# ASHRAE GOLF TOURNAMENT

By Taylor Brezinsky

As the weather warms up and the greens beckon, we are thrilled to announce the Annual, 2026 Regina ASHRAE Chapter Golf Tournament at the wonderful Flowing Springs Golf Greens!

## Event Details:

Date: June 18, 2026

Registration: opens at 10:00 am

Tee Time: begins at 12:00 pm (shot-gun start)

Location: Flowing Springs Golf Greens

Format: 4 person Texas Scramble

A bucket of balls will be provided to all players who wish to use the range, and the putting challenge will be open to all on the putting green. Golfers can look forward to raffle prizes, door prizes, proximity prizes and again, a fantastic meal provided by the golf course after the round!

To register, please reach out to Taylor Brezinsky at [t.brezinsky@mac-eng.ca](mailto:t.brezinsky@mac-eng.ca) or refer to our ASHRAE email invitations which include a link to a registration form!
